

MARCH MATCHING MADNESS

at RiverWorks

**Double
Your
Impact.
Multiply
Hope.**

Become a 2026 Match Partner

Many of our neighbors face unexpected challenges—job loss, health crises, or the daily struggle to put food on the table. RiverWorks exists to meet these needs, but we can't do it alone.

How It Works

You choose a matching amount. When someone donates, you match it—doubling the impact.

Example:

Match up to \$3,000 and it becomes \$6,000 for RiverWorks programming.

Matching gifts inspire others to give because every dollar goes further.

Dine & Donate Partnership

Participating restaurants match donations collected on-site, which are then matched again by a local business owner—tripling the impact.

Every \$1 becomes \$3

How to Get Involved

- Set a Match Amount (any amount helps)
- Share the Opportunity (we provide promo tools)
- Accept Donations (checks or online options)
- Partners matching \$500+ receive public recognition across RiverWorks' website, social media, and communications.

Why It Matters

The need is growing. Food costs are rising. Families are relying on RiverWorks more than ever. Together, we can create a ripple effect of generosity and hope.

Have questions or ready to join March Matching Madness?
